"Men and Sexuality"

PROGRAMME

Monday 13th of June, Copenhagen: Opening of the Week – Café-meeting on Men and Sexuality – Presentation of Men's Health Award 2005.

Distribution to all GPs in Denmark of a resource pack containing: 1) a leaflet on male sexual problems, 2) a booklet on communicating with obese male patients, 3) a booklet with stories from four men with experiences of four different diseases and the changing of their lifestyle, and 4) a leaflet with general advices on communicating with male patients.

Tuesday 14th of June, Odense: Café-meeting on Men and Sexuality – presentation of local stakeholders on different men's health issues

Wednesday 15th of June, Aarhus: Café-meeting on Men and Sexuality – local cabaret on Men's Health

Along the week: activities in different working places around the country where men can get a health check and information on how to improve their health.

Furthermore there will be newspaper articles, radio telephone, programmes etc.
